"A mother's teachings have great importance!
What you teach guides your children when they
walk and watches over them while they sleep.
Your instructions are lights for their lives and
speak to them even when you aren't there."

The Fish in the Pond

(Tune of: The Wheels on the Bus)

The fish in the pond go
Swish, swish, swish
Swish, swish, swish
Swish, swish, swish
The fish in the pond go
Swish, swish, swish
All day long!

The ducks in the pond go
Quack, quack, quack
Quack, quack, quack
Quack, quack, quack
The ducks in the pond go
Quack, quack, quack
All day long!

The frogs in the pond go
Ribbit, ribbit, ribbit
Ribbit, ribbit, ribbit
Ribbit, ribbit, ribbit
The frogs in the pond go
Ribbit, ribbit, ribbit
All day long!
